OCTOBER 20, 2009

IN RE: Application of Lakeside Medical Responses, Inc., 202 Third Loop Plaza, Suite A, Florence, South Carolina 29505 (District 6) for a Class C Non-Emergency Certificate of Public Convenience and Necessity)	ORDER APPROVING CHANGE IN PASSENGER RESTRICTION AND AMENDING CERTIFICATE
--	---	--

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Lakeside Medical Responses, Inc. (the Applicant) filed September 18, 2009, whereby the Applicant seeks approval of an amendment to Class C Non-Emergency Certificate of Public Convenience and Necessity No. 7807. The Applicant requests approval of a change in the passenger restriction appearing on such Certificate. Certificate No. 7807 to render motor passenger service was issued to the Applicant pursuant to Commission Order No. 2007-270, dated April 20, 2007.

The Applicant now seeks to amend Certificate No. 7807 by a change in the passenger restriction appearing on such Certificate.

Currently, the Applicant's authority to provide passenger service (Certificate No. 7807) reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,
Restricted To: Three (3) Passengers.

The Applicant requests to increase the passenger restriction from three (3) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 7807 of Lakeside Medical Responses, Inc. by changing the passenger restriction thereon from three (3) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

3. That an amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

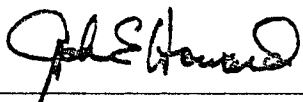

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
